

## Tiger Lily

Luna

Sweet obscenity  
Bring her back to me  
Lost in her perfume  
Think I'm gonna sue  
Sweet obscenity  
Didn't I know it  
Didn't I call her name  
Stale cigarettes  
Crumble in your fingers  
Caught with a drink in my hand

Edging to the door  
Sweet obscenity  
Didn't I know it  
Didn't I call her name  
Tiger lily girl  
Standin' cross-eyed in the corner  
Tiger lily girl  
Standin' tongue tied in the corner

Somethin' in her eye  
Tells that I should try  
Somethin' she might say  
Tells right away  
Somethin' in her eye  
Didn't I know it  
Didn't I call her name  
Tiger lily girl  
Standin' cross-eyed in the corner  
Tiger lily girl  
Standin' tongue tied in the corner
