

Why Me

Lunachicks

Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!

If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!

'cause I hide and I cry and I try
When I hide and I cry want to die
I keep it down, down, down, down, down
I keep it down, down, down, down, down
Was it a lie?
How low can you go, how low?

Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!

If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!

'cause I hide and I cry and I try
When I hide and I cry want to die
I keep it down, down, down, down, down
I keep it down, down, down, down, down, down, down
Was it a lie?
How low can you go, how low?

Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!
Why me? I donçf know!

If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
My heart is broken and I cançf fix it!
Why...

If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
If somethingçf broken you gotta fix it!
Why me? Why me?
