Ain't no normal guy

LUNAFLY

I'm from another constellation (a little bit alien)
Here we go me and you
Right now got that va va voom

I'm from another population (places been so various)
Wanna go wanna do
More more see me follow through

Flying fairy you could be
Psychic lady had to see
Oh this kingpin girl Got hold of me
Final frontier do you see
Oh the possibility
Hollywood is me
Ain't around from here girl

Told you yeah~oh
Come on yeah~oh
Resounding echo echo
Can you speak up speak up
Told you yeah~oh
No I ain't no normal guy

I've been to Timbuktu and higher
Let me show you something that you've never seen before (ain't no normal guy
)

Earth and wind and fire
Got that thing that you desire
In reality normality goes out the door (ain't no normal guy)

I'm from another civilisation (a little bit alien)
Where to go what to do
Right now I'm on the edge with you

I'm from another far location (places been so various)
Can we go me and you
Go go see what we could do

Flying fairy you could be
Psychic lady had to see
Oh this kingpin girl got hold of me
Final frontier do you see
Oh the possibility
Hollywood is me

Ain't around from here girl

Told you yeah~oh
Come on yeah~oh
Resounding echo echo
Can you speak up speak up
Told you yeah~oh
No I ain't no normal guy

Hey I fell for you

Do you know it's true
I don't care what people say yeah

It don't mean a thing
Different DNA
Let me take you away

You know you stung me just like a killer bee
Floating like a butterfly you got to me
I wanna guarantee no need to disagree
I think your kinda cool what you mean to me
I'm flying now I'm walking on air
Can you hold me take me I don't need to prepare
(Oh no I'm sorry) Oh like a slumber party
I want a nasty boy I know you're dirty

Told you yeah~oh
Come on yeah~oh
Resounding echo echo
Can you speak up speak up
Told you yeah~oh
No I ain't no normal guy

No I ain't no normal guy
I've been to Timbuktu and higher
Let me show you something that you've never seen before (ain't no normal guy

Earth and wind and fire
Got that thing that you desire
In reality normality goes out the door (ain't no normal guy)
