

Sick

Lunar Vacation

Sick again, luxury
Apartments popping anywhere beside them
Comedy is perfect when it's ugly
I'm sick again, sick again

Sick, sick, sick, sick

Demolition moving
Manhattan and it's imminent destruction
The earth is finally taking back your children
I'm sick again, sick again
Sick, sick, sick, sick

I'm sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Oh, it's all again
Sick, sick, sick, sick

So sick again

Sick again, luxury
Apartments popping anywhere besides that
Comedy is perfect when I'm lonely
I'm sick again, sick again

Sick, sick, sick, sick

Demolition movement
Manhattan and it's imminent destruction
The earth is finally taking back your children
I'm sick again, sick again
Oh, I'm sick again

So sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick

Wow, you're sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again
Sick, sick, sick, sick
Sick again

Sick again
So sick again
