

The Waiting Game

Lunar Vacation

Three weeks inside
There's been days flowing by
But my mind has stayed stuck

No brain getting fed
It's asleep instead
But the rest is moving

Only to see the world behind the scenes
Face it all so you know much more than you'd ever like to

They're talking of time like a stark shutting eye
How it's all uncertain
But Hope's gone to bed, we're stuck waiting instead
For a kind-of answer

Only to see the world behind the scenes
Face it all so you know much more than you'd ever want to
