

# Inferno

Lunandscape

your love inferno  
defines your anger  
the way you are

my love inferno  
angelic candle, gelignite  
i'll try to cease the burning of you

how can i enjoy your inferno?  
inferno, could it be eternal?  
i'll refuse your love

endless inferno  
reveals your sorrow  
for every rage  
i'll try to break  
your catherine wheel again
