## **Still Believe**

Look into my eyes, you will find And ocean of love and of light Deep inside, inside my eyes Because one heart can never beat alone And at the end you will share a dream And it will be mine too Still believe, ever believe You are strong enough within yourself Because life is an endless dream And at the end we will be heroes Once in history you will find A soul equal to yours, to share a lifetime with To count the stars Fortune is a rare thing, grab it And make your day Because you'll never get a second chance Still believe, ever believe You are strong enough within yourself Because life is an endless dream And at the end we will be heroes
