

Go To God

LunchMoney Lewis

(Yeah)

Go to God (yeah, woo)
Go to God (oh, uh yuh)
Go to God (go to Him)
Go to God (skrr, uh yuh, uh yuh)
Have no fear (have no fear)
When it's real (when it's real)
Go to God (ay)

Times really hard, you got it
Bills to pay, you got it
Hundred million problems in your way, you got it
Hundred million people in your face, you got it
Moon, clouds, got the sun in your face, you got it
Do your dance, shake them devils away, you got it
Get down on your knees and pray

Get down
Get down (uh yuh)
Been a while for me (me too)
Let's get down (ay)

Go to God (ay, ay)
Go to God (ay, uh yuh)
Go to God (go to Him)
Go to God (go to God)
Have no fear (have no fear)
When it's real (when it's real)
Go to God (ay)

Oh, don't sit down now
Ay
Clap your hands, tap your toes to this
We all need this
Ay

Times really hard, you got it
Bills to pay, you got it
Hundred million problems in your way, you got it
Hundred million people in your face, you got it
Moon, clouds, got the sun in your face, you got it
Do your dance, shake them devils away, you got it
Get down on your knees and pray

Get down (ay)
Get down (ay)
Been a while for me (me too)
Let's get down

Go to God (ay)
Go to God (uh yuh)
Go to God (go to Him)
Go to God (uh yuh)
Have no fear (have no fear)
When it's real (when it's real)
Go to God (uh yuh)

Don't you dare sit down now...
