

This N That

LunchMoney Lewis

I'ma pull up on ya (pull up)
Do you smell that odor? (odor)
Yeah that that good good
I smoke that good good California (oh ya)
And I roll it up with you (with you)
Only smoke this shit with you

When I pull up to your pad
I know this for the lad
'Cause your Mamma told my Mamma
Told my Daddy that girl's bad
And you better wife her she the shit like baby diapers
Yeah I might white Nike her
But baby

Tell me that you love me girl
Don't tell me this and that
Tell me this and

Tell me that you love me girl don't
Tell me this and that
Tell me that you love me girl don't
Tell me this and that

I'ma pull up on ya (pull up)
Do you smell that odor? (odor)
Yeah that that good good
I smoke that good good California (oh ya)
And I roll it up with you (with you)
Only smoke this shit with you

Tell me that you love me girl
Don't tell me this and that (this and that)
Tell me this and that
Tell me that you love me girl
Don't tell me this and that
Tell me this and

Tell me that you love me girl don't
Tell me this and that
Tell me that you love me girl don't
Tell me this and that

Don't stop get it get it
Too loud go with it
Me plus you that's too lit too lit too lit
Don't stop get it get it
Too loud go with it
Me plus you that's too lit too lit too lit

Tell me that you love me girl
Don't tell me this and that (this and that)
Tell me this and that

Tell me that you love me girl
Don't tell me this and that
Tell me this and that

Tell me that you love me girl
Don't tell me this and that (this and that)
Tell me this and that

Tell me that you love me girl
Don't tell me this and that

Tell me that you love me girl don't
Tell me this and that
Tell me that you love me girl don't
Tell me this and that

Tell me that you love me girl don't
Tell me this and that
Tell me that you love me girl don't
Tell me this and that
