elijah looked at me and shook his head  
„no“ he said, „I have to disagree!  
you're not ready for this yet  
even though you're not the one you used to be  
there are people here waiting for your aid  
and there are things you just cannot leave undone  
it's better if you stay, let me go my way on my own  
one day you'll understand“

oh elijah  
how can you be so sure?  
won't you let me hold your hand?  
I wanna be with you  
I promise my intentions are pure  
you're my one and only  
and I wanna be with you

I never had the pleasure to get to know you better  
but the image of you is quite clear in my head  
when I close my eyes I feel you near me  
though I didn't have you it was so hard to let you go  
I waited for you but then you closed the door from the  
wrong side  
you never even put one single foot on the ground  
you were gone without leaving any sound  
after all  
was it all just in my mind?

oh elijah  
how can you be so sure?  
won't you let me hold your hand?  
I wanna go with you  
I promise my intentions are pure  
you're my one and only  
and I wanna go with you
