

# Aaw Turn It Up!

Luscious Jackson

Meet me  
Will you meet me on the floor  
We'll be dancing all night

Been so long  
Been too long  
Living deep inside her head  
When she sees him on the dance floor  
She wanna do things she'll regret  
He sees her here and everywhere  
He don't wanna come on too strong  
He's just waiting for that perfect beat  
He's just waiting for that song

Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Til we fall in love

Meet me  
Will you meet me on the floor  
We'll be dancing all night  
We'll be  
We'll be dancing all night long  
When they play our favorite song

Sipping on her mimosa  
DJ put on soma cosa  
He came over a little closer  
Only wish he could know her  
Started moving in slow motion  
DJ spinning watching over  
DJ spinning  
DJ spinning  
DJ spinning watching over

Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Til we fall in love

Turn it up turn it out  
Turn it up turn it out  
Turn it up turn it out  
Turn it up turn it out

Meet me  
Will you meet me on the floor  
We'll be dancing all night

We'll be  
We'll be dancing all night long  
When they play our favorite song

Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Turn it turn it out  
Aaw turn it up  
Til we fall in love
