

Coconut Icee

Luscious Jackson

When it gets to be 103
And all you want to do is go to the beach
You are walking down the street
There's a lady selling something sweet to eat

Coconut icee
It's so nice
Coconut icee
It's paradise

Only costs 50 cents
It looks pretty fresh
So your mama says yes
The sun is hitting the sidewalk
You're so hot that you can't even talk

My icee

Tell me, what's your favorite flavor?
Berry, cherry or strawberry?
Rainbow icees can be fun
But coconut is number one
It's super sticky in the sun
So eat it quickly 'til it's done

Coconut icee
(Coconut, coconut icee)
It's so nice
Coconut icee
(Coconut, coconut icee)
It's paradise
