

Faith

Luscious Jackson

i cry for the love in your eyes
i try to let you be free
if you're blue
don't let it worry you
you'll make it through
and if you don't believe me
faith will come humbly down
fear will come tumbling down

cynics may fill the books
critics may give you looks
but i'll stand by you 'til you die
and i'll be wise in the afterlife

(faith will come humbly down
fear will come tumbling down) (3x)
