Faith

Luscious Jackson

i cry for the love in your eyes i try to let you be free if you're blue don't let it worry you you'll make it through and if you don't believe me faith will come humbly down fear will come tumbling down

cynics may fill the books critics may give you looks but i'll stand by you 'til you die and i'll be wise in the afterlife

(faith will come humbly down fear will come tumbling down) (3x)
