

Fallin' in Love

Lush

Flowers come in the spring
All the love I can bring
Bring it for my baby

All I can do
You know
You know it's for my baby

I love him so
I love him long
He's my baby
Are you my baby

Falling in love
Summer winds again together with my baby

Love the love I live
Live the love that I love
Live it with my baby

I love him so
I love to grow
With my baby
Yes my baby

Yes I'm in love
Love in love in love in love
With my baby

He knows I'm in love
Love in love in love in love
With my baby

I love the way that he smiles
Love in love in love in love
With my baby

Yes I'm in love
Love in love in love in love
With my baby
