## **Starlust**

Lush

Walking at midnight
In the darkness, alone
Standing in the shadows
And I'm watching your glow

Standing in the red light And I'm smiling at you Dreaming of the starlight Just waiting for you

I'll do anything to
Make you mine, make me shine
Take me if you want me
I don't care, I don't mind

I want your starlight
Make it mine, make me shine
Touch me with your light
And I'll burn like a star
