

## Side A

Lute

We recording?  
Gotta put some respect on my name!  
Let's get it  
LETS GET IT

When that money hit the bank I buy the hooptie instead of Gucci  
Wood grain with the blue tooth, bumpin' Juicy  
Mama used to tell us that money don't grow on trees  
Now a nigga makin' paper off discarded loose leafs  
Truth be, I'm tired of provin' I could rap to niggas  
'Till I slap a nigga, he come back with niggas  
Then I get to cappin' all these wack rappin' niggas at the same  
time

Never gave a fuck about what ain't mine, peace of mind  
I be sleepin' fine but you still gotta keep an eye  
Twenty reasons why, glove box where I keep the 9  
Watchin' niggas shine when the light is lime, fuck you mean  
Been that nigga since Girbaud jeans, I was 16  
Some days I wondered if my days were numbered  
Some days I wish I knew what I know now when I was younger  
Head above the water line, I'm older, shit can't take me under  
Even though I'm swimming in my thoughts, nigga  
So much on my mind, surround yourself with those who rock with  
ya

Plot with ya  
Cause same niggas dap me up, would never confront me  
I hear more 'bout me from them, through mutual company  
Funny how this whole time these niggas thought the goal was mon  
ey

Meanwhile, niggas on the Gram to hide the fact they bummy  
If only niggas focused on the craft, then what you seek is give  
n

Fifteen hundred likes on Instagram and niggas think they did it  
Nigga please, that's how much my rent be  
Plus my livin' fee, then my Daughter's needs  
That's three grand a month, y'all matching to buy a gram of wee  
d

Mind your fuckin' business, I take care of me, fuck you mean  
Went from prayin' on my knees to spreadin' my wings, somewhere  
in between

Must have forgot that I will slap a nigga, ain't your average r  
appin' nigga

Fuck you mean

So next time you see a nigga chillin', thinkin' that he did it  
Tell him he trippin' a thousand likes below the price of livin'  
Nigga you broke

Above water now, nigga we afloat

Fuck a boat, I got money now, I should build a moat

You too close, five years ago niggas was a ghost  
Be the same nigga sayin' I'ma blow  
Damn
