

Life Is A Bitch

Luther Allison

Life is a bitch, it's hurting me
Yes I said life is a bitch you'all, it's hurting me
You know my life is rough living in the street
Life is a bitch you'll, life is a bitch, is a bitch on me

Called my job, they might lay me off
Yes gonna call my job, they might lay me off
Can't go home with nightmares, driving me crazy
To many worries, to many bills I gotta pay
Is a bitch you'all

Called my president, I need a little help
Yes I'm gonna call on the president, I can't a help
myself
Don't give me no more worries, money's what I need
Life's like this ain't funny, it's a bitch it's a bitch
it's a bitch on me
It's a bitch on, it's a bitch on
Life is a bitch
It's a bitch, it's a bitch, it's a bitch, it's a bitch,
it's a bitch, it's a son of a bitch
It's a bitch, it's a bitch, it's a bitch, it a bitch,
it's a bitch if you live like this
