

## Middle Of The Road

Luther Allison

Standing in the Middle Of The Road  
I've got places to go  
My shoulders are sore y'all  
I got a heavy load  
Standing in the Middle Of The Road  
Somebody's got to pick me up

Standing in the Middle Of The Road  
I didn't say goodbye  
I left a whole lot of bills behind me  
The creditors are gonna cry  
Standing in the Middle Of The Road  
Everybody's passing me by  
I need a ride y'all

Ain't got nobody to say goodbye to  
Guess I'm on my own

Yes, I'm standing in the Middle Of The Road  
My feet are cold  
I'm looking up at the sky  
I believe it's gonna snow  
I'm standing in the Middle Of The Road  
Somebody give me a ride

Yes, I'm standing in the Middle Of The Road  
I got things on my mind  
Three or four hungry babies, you know  
I got to leave behind  
Standing in the Middle Of The Road  
I know I need a ride  
Somebody give me a ride now
