

Soul Fixin' Man

Luther Allison

I'm going back
Back to the shoe shine stand
I'm going back
Back to the shoe shine stand

Been on the road, both day and night
Heard my papa call, heard my mama cry

I'm going back
Back to the shoe shine stand
I'll be singing the blues
While I shine your shoes
I'm a soul fixin' man

Heard my mama talk, heard my papa, too
Better get on home, got to shine them shoes

I'm going back
Back to the shoe shine stand
I'll be singing the blues
While I'm shining your shoes
I'm a soul fixin' man

I'm going back, I'm going back
I'm going back, I'm going back
I'm going back
Back to the shoe shine stand
I'll be singing the blues
While I'm shining your shoes
I'm a soul fixin' man
