

Super Hot

LVL1

'Cause you're super hot, hot, hot, hot
Super-super hot, hot, hot, hot
Yeah, you're so fine, fine, fine, fine
'Cause you're super hot, hot, hot, hot

'Cause you're super hot, yeah, you're so fine
E' una pena, baby, pero esto e' lo que hay
'Cause you're super hot, and I'm a rockstar
La primera cita comiendo caviar y lobster

'Cause you're super hot, and I'm super cool
I would've brought you to a party with a pool
'Cause you may be hot, but I don't want none
If you wanted my attention, here's the whole song

If you wanted my attention, here's a whole song

'Cause you're super hot
Yeah, you're so fine
Ah

(Baby, baby) Baby, baby, tengo la noche free
Mó-mó-móntate en tu coche, yo te espero aquí
Baby, baby, me he enterado por ahí
Que vas contando todo lo que yo te dije a ti
Baby, baby, creía que era especial
Que tú y yo teníamos algo de potencial
Baby, baby, qué manera de perder tu only chance

You are not the one for me
If you don't understand
All I want from you is just to see me as I am
Si no puedes verme así, I'll go find someone else
All I ever wanted is to be seen as I am

'Cause you're super hot, yeah, you're so fine
E' una pena, baby, pero esto e' lo que hay
All I ever wanted is to be seen as I am

'Cause you're super hot, and I'm super cool
I would've brought you to a party with a pool
'Cause you may be hot, but I don't want none
If you wanted my attention, here's a whole song

You are not the one for me
If you don't understand
All I want from you is just to see me as I am
Si no puedes verme así, I'll go find someone else
All I ever wanted is to be seen as I am
