Lo-lo-lo-lone  
Alo-lo-lo-lone

Is there something that I missed?  
Is there something I forgot?  
I've been waiting on a sound from ya  
If I went and [?]  
Would it ever be enough?  
Can I ever get my mind off ya?

We'll be you and I, this is truth or die?  
Made me change my mind, maybe I should try  
And let you go your way, when I saw your face  
I thought maybe I should try it on my own

And do it all alo-lo-lo-lone  
Alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lone, alo-lo-lo-lone

And do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone

Maybe I should try it on my own, lo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone

Is there someone I should know?  
Is there someone in your life?  
I've been trying hard to fight for you (fight for you)  
But it's hard to let you go  
When I see you every night  
Such a pity that you never knew (never knew)

We'll be you and I, this is truth or die  
Made me change my mind, maybe I should try  
And let you go your way, when I saw your face  
I thought maybe I should try it on my own

And do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lone, lo-lo-lo-lone

And do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone

Maybe I should try it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone  
I'll do it all alo-lo-lo-lone  
Alo-lo-lo-lo-lone, alo-lo-lo-lone
