

Happier To Lose

LVNDSCAPE

I think I'm happier to lose

You start smoking cigarettes
I say "Are you finished yet?", burning the proof
You broke a promise yet again
Blame it on the weather then
Say that we're cool

So then we both leave ruining the party
You take the front seat of the cab
It's like we make up reasons for our break-up
The lights are out but we don't see

'Cause at the end of the night
And we know nobody's right
We try to think of something new
But when we said every line, every breath starts a fight
I think I'm happier to lose

Happier to lose, ooh-ooh
I think I'm happier, I think I'm happier to lose, ooh-ooh
I think I'm happier to lose

Heartbroken, forgot my keys
And I know how you love your sleep
I'm not sorry I'm loud
And pack your things and run away
I'll see you on Saturday, when will we come down?

So then we both go hoping that we'll come home
All in one piece, how would it be?
It's like we make up reasons for our break-up
The lights are out but we don't see

'Cause at the end of the night
And we know nobody's right
We try to think of something new
But when we said every line, every breath starts a fight
I think I'm happier to lose

I think I'm happier to lose
I think I'm happier to lose, ooh-ooh
I think I'm happier, I think I'm happier to lose, ooh-ooh
I think I'm happier to lose
Happier to lose, ooh-ooh
I think I'm happier, I think I'm happier to lose, ooh-ooh
I think I'm happier to lose

'Cause at the end of the night
And we know nobody's right
We try to think of something new
But when we said every line, every breath starts a fight
I think I'm happier to lose
Happier to lose, ooh-ooh
