

What I'd Give

LVNDSCAPE

We used to drive down to the water at night
Set fire to driftwood and then laugh till we cry
Drunk off them cheap beers that we used to buy, used to buy
What I'd give to go back in time

Yeah, I'm tryna keep a young heart
But I'm only getting older
Tryna keep those nights so fresh in my veins
Never in a million years
Did I think that it'd be over
Then it's like I'm floating away

What I'd give to go back, to go back again
What I'd give to know that we both felt the same
'Cause it's hard moving on knowing all of our love has wasted away
What I'd give to go back again

For just a moment we were hand in hand
Went for a kiss that I was nervous to land
I didn't mean to spill your drink in the sand
Oh, what I'd give to go back again

Yeah, I'm tryna keep a young heart
But I'm only getting older
Tryna keep those nights so fresh in my veins
Never in a million years
Did I think that it'd be over
Then it's like I'm floating away

What I'd give to go back, to go back again
What I'd give to know that we both felt the same
'Cause it's hard moving on knowing all of our love has wasted away
What I'd give to go back again

What I'd give, what I'd give, what I'd give, what I'd give
What I'd give, what I'd give, what I'd give, what I'd give

I told you I could surf but damn did I lie
But you know I couldn't catch a wave if I tried
You shoulda seen your face when I nearly died
Oh, now those days are over, and I
Oh, I'm just going under the tide

What I'd give to go back, to go back again
What I'd give to know that we both felt the same
'Cause it's hard moving on knowing all of our love has wasted away
What I'd give to go back again

What I'd give, what I'd give, what I'd give, what I'd give
What I'd give, what I'd give, what I'd give, what I'd give
What I'd give to go back again

Man, it's like I'm floating away
