

Rain Dance

Lycia

outside I stand and pray
for something...that will make me feel so...
alive...alive...and so refreshed again
the rain, it lingers, and I, and i...
and I, and I, just don't know how I feel
and I, and I, and I just pray for rain
and I, and I, just don't know how I feel
and I pray for rain
the clouds drift straight towards me
and something...stirs deep inside of me
the sky, the sky...stares deep inside of me
the rain, it pours, and I, and i...
and I, and I just pray for rain...and I pray for rain
