

The Return Of Nothing

Lycia

Has your love passed away?
And do you think of me at night in stormy weather?
And when the clouds burn away ?
And the sun beats so deeper and brighter?
Does your memory fade ?
When you think about all the things that we dreamed of?
Does your heart drift away in the morning time ?
As frustration prevails, prevails?
? for awhile?
Is everything all right?

Why have you run from me?
Why have you left me forever?
Did I scare you away?
Or is this something that I only dreamed of?
So is this your good-bye?
Cloaked in silence...have you left me forever?
You seem so far away
And I can't help but think how frustration prevails
Prevails ? for awhile
