

Never Never Land

Lyfe Jennings

You know my momma said there's only two things in life that are constant:
That's change and change

It feels like somethings' missing but
I just don't know,
It's like I'm not the same man that I was, no more
and all these crazy places that I usually know,
are just not as exciting as they were before.

I think about u constantly, It surprises me,
how I've changed,
my friends are coming down on me,
saying a player never changes the game.

Those fellows live in Never Never Land
right next to peter pan cause
nobody wants to grow old,
Those fellows live in Never Never Land
they'll never understand what it's like to be in love.

Never Never Land right next to peter pan cause nobody wants to grow old,
Those fellows live in Never Never Land
they'll never understand what its like to be in love.

It feels like somethings' moving inside of me,
my heart is doing backflips in spite of me,
and there's no place that I would rather be
than with you and my kids, my family
I think about u constantly,
u gonna be my wife eventually
It don't matter what my friends say to me,
there's no changing my mind, so you all just pray for me.

Never Never Land
right next to peter pan cause
nobody wants to grow old,
Those fellows live in Never Never Land
they'll never understand what its like to be in love.

Never Never Land right next to peter pan cause nobody wants to grow old,
Those fellows live in Never Never Land
they'll never understand what its like to be in love.

Hold up wait a minute, I'm a hustler
don't be putting my woman in it,
She ain't got nothing to do with this bullshit,
She is a deacon she chills in the pulpit
(AH UR WRONG DAWG)
I don't even need to say no more,
You ain't got the disease, but u expect the cure,
Down on your knees praying for that new porche
while she's walking out that door,
(SHE'S WALKING OUT THAT DOOR)

Those fellows live in Never Never Land
right next to peter pan cause
nobody wants to grow old,

Those fellows live in Never Never Land
they'll never understand what it's like to be in love.

Never Never Land right next to peter pan cause nobody wants to grow old,
Those fellows live in Never Never Land
they'll never understand what its like to be in love.

And I don't care what they told you
30 is not the new 20 its the same old 30
don't be mad at me Jay I'm just the messenger baby,
I'm just the messenger!
