Lyfe Jennings

Every morning I wake up and make breakfast and send the kids of f to school

And every night before I go to bed we all say a prayer for you, Lord don't let her forget about us, Nooo

Lord don't let her forget about us

And every night before I go to bed we all say a prayer for you, Lord don't let her forget about us, Ohh Nooo

Lord don't let her forget about us (forget about us, forget about us)
