

# Infinite

Lyn Lapid

How do you be yourself?  
I don't know where to begin  
Should I be dancing on rooftops  
Complaining that I don't fit in?  
I'm afraid that I do, yeah, I have no clue  
How to be different  
Tell me, "Figure it out", when all I'm allowed  
Is to sit and listen

I guess I'm missing out  
They say the time is now  
I've been playing it safe  
Oh, how good could it taste to be free?

Dancing in the rain, 3 AM  
Thinking that we might be dreaming  
Knowing that it's in this moment  
We are infinite  
Hanging out the side of fast cars  
Wishing someone would break our hearts  
Knowing that it's in this moment  
We are infinite

How do I feel?  
I'll incinerate under the sun  
Wonder if you can feel  
After living for years being numb (so numb)  
I'm afraid I'll give in before it begins  
Am I that helpless?  
It'd be nice to jump in to something not knowing  
Just to be reckless

I guess I'm missing out  
They say the time is now  
I've been playing it safe  
Oh, how good could it taste to be free?

Dancing in the rain, 3 AM  
Thinking that we might be dreaming  
Knowing that it's in this moment  
We are infinite  
Hanging out the side of fast cars  
Wishing someone would break our hearts  
Knowing that it's in this moment  
We are infinite

Will I have the choice to decide?  
If I wanna believe like my life is mine  
It seems like I'll give it a try  
I've been living so vigilantly in time  
Will I have the choice to decide?  
If I wanna believe like my life is mine  
It seems like I'll give it a try  
I wanna try living my life

Dancing in the rain, 3 AM  
Thinking that we might be dreaming

Knowing that it's in this moment  
We are infinite
