

I'm Ready

Lynch Mob

From a distance
Heard the calling
The calling
Now or never
No use trying
The calling

I'm this journey
I should fail
Acid rain drops over me

Ready for the darkness
Ready for the show
Ready for an answer
I'm ready, ready
Ready for tomorrow
Heading to the show
Betting on the future
I'm ready, ready

Now the hour
Is upon me
The hour

Got to close can't run away
Now I'm searching for a way

Ready for the darkness
Ready for the show
Ready for an answer
I'm ready, ready
Ready for tomorrow
Heading to the show
Betting on the future
I'm ready, ready

From a distance
Heard it calling me
Now's the hour
Ready for the darkness
Ready for the cold
Waiting on an answer
Waiting on a new tomorrow

Ready for the darkness
Ready for the cold
Ready for an answer
I'm ready, ready
Ready for tomorrow
Heading to the show
Betting on the future
I'm ready, ready
