

## Saints And Sinners

Lynch Mob

Tortured no remorse  
No salvation no where to go

Saints and sinners  
Writings on the wall  
Always running from the law  
Saints and sinners  
Let the curtain fall  
Saints and sinners  
Saints and sinners

Devoured left for dead  
No compassion, no tears where shed  
Power sacrifice  
Overshadowed by your demise

Saints and sinners  
Writings on the wall  
Always running from the law  
Saints and sinners  
Let the curtain fall  
Saints and sinners  
Saints and sinners

Saints and sinners  
Writings on the wall  
Always running from the law  
Saints and sinners  
Let the curtain fall  
Saints and sinners
