

The Synner

Lynch Mob

Will anybody pray for me
I'm always bringing life
Straight down to its knees
I'm always walking through the flames
Where did things go wrong
And why I can't believe

There's no mercy on my soul
'Cause I'm a sinner, a sinner
There's no mercy on my soul
'Cause I'm a sinner, a sinner, sinner

Can somebody pray for me
Where am I going
Reflections of deceit
I can't sleep with the scars I bleed
I jump into a hole
And I won't stop falling

There's no mercy on my soul
'Cause I'm a sinner, a sinner
There's no mercy on my soul
'Cause I'm a sinner, I'm a sinner, sinner

The lines blur, the fire
These thoughts call my name
The fire
Now I lost my soul lord help me understand

There's no mercy on my soul
'Cause I'm a sinner, a sinner
There's no mercy on my soul
'Cause I'm a sinner, I'm a sinner

I'm a sinner, I'm on fire
I'm a sinner, I'm on fire
I'm a sinner, I'm on fire
I'm a sinner
