

Give me time All is over  
Shine on my brilliant soul  
To blacken out Get out of sight  
A growing anxiety  
Break me down  
It is utter darkness  
Like a storm

Before I die Already over  
A bedeviled soul  
Severe fight You can't stop me  
I have no time to lose  
Shake me up

It is utter darkness  
Like a storm
