

TOMORROW

lynch.

wake up, here I am
there's nothing to be afraid of
don't give up if you fail
the time is now, time to go

we shed tears to live, anyone is the same
until we arrive there someday
just here we go

Todoke todoku made haruka tooku no anata e
Nani mo nai kono te hirogete ikou

Todoke todoite yo nee

wake up, here I am
there's nothing to be afraid of
don't give up if you fail
the time is now, time to go

we shed tears to live, anyone is the same
until we arrive there someday
just here we go

Todoke todoku made haruka tooku no anata e
Egaita asu ga konakute mo ikou

Todoke tooku made toki hanate
Karada wo wasurete anata ni ai ni ikou

your fuckin' life
I'm ready to go with you
my fuckin' life
don't hurry, it has gone wrong

to make a ray of light
a ghastly sight

Todoke todoku made haruka tooku no anata e
Nani mo nai kono te hirogete ikou

Todoke tooku made toki hanate
Karada wo wasurete anata ni ai ni ikou

tomorrow is another...
