

# Honey

Lynn Anderson

See the tree how big it's grown but friend it hasn't been too long  
it wasn't big  
And I laughed at him and he got mad  
The first day that he planted it it was just a twig

Then the first snow came and he ran out to brush the snow away  
so it wouldn't die  
Came runnin' in all excited slipped and almost hurt himself and  
I laughed till I cried  
He was always young at heart kinda dumb and kinda smart and I loved  
him so  
And I surprised him with a puppy kept me up all Christmas Eve two  
years ago  
And it would sure embarrass me

When he'd come in from working late cause he'd always know  
If I'd been sittin' there and cryin' over some sad and silly late  
show  
And honey I miss you and I'm being good and I'd love to be with  
you if only I could  
He wrecked the car and he was sad and so afraid that I'd be mad  
but what the heck  
Though I pretended hard to be

Guess you could say he saw through me and hugged my neck  
He came home unexpectedly and caught me crying needlessly in the  
middle of the day  
And it was in the early spring when flowers bloom and robins singing  
he went away  
And honey I miss you and I'm being good and I'd love to be with  
you if only I could  
One day while I was not at home and he was there and all alone  
the angels came

Now all I have are memories of honey and I wake up nights and call  
his name  
Now my life's an empty stage where honey lived and honey played  
and love grew up  
And a small cloud passes overhead and cries down on the flower  
bed that honey loved  
And see the tree how big it's grown but friend it hasn't been too  
long it wasn't big  
And I laughed at him and he got mad  
The first day that he planted it it was just a twig
