## Love Me Love Me

Lynn Anderson

I've searched so long for love and understanding Someone to share my dreams as I grow old And now that I found you and held my arms around you I don't ever intend to let you go So darling love me love me that's all that I ask of you Just love me love me and I'll give all my love to you

You're more to me than all the words and music To all the songs the world will ever sing And with you to walk beside me no clouds can ever hide me From the sunshine that just one smile can bring So darling love me love me...
