

# Meanwhile Back At the Cross

Lynn Anderson

The devil laughed and said I've won  
God has lost his only son  
The brightest star no longer shines  
Finally this world is mine  
Then he gathered all his demons near  
He said we have conquered love with fear

Meanwhile back at the cross  
All is not lost  
Forgiveness is bought with each drop of his blood  
It falls to the ground  
Mercy abounds  
As Mother Mary's tears fall down  
To see her precious son pay the cost

The devil said we'll use their pride  
We'll attack them from inside  
Fill their hearts with vanity  
Til their differences are all they'll see  
Black and white, rich and poor  
To justify their holy war

Take a look around  
Turn on the evening news  
The devil said there's no way  
I'm gonna lose  
Hate is everywhere  
Love cannot be found  
It took me two thousand years  
But it's almost over now
