

Seven Lonely Days

Lynn Anderson

Seven lonely days make one lonely week seven lonely nights make
one lonely me

Ever since the time you told me we were through

Seven lonely days I've cried and cried for you

Oh my darling I'm crying hoo hoo hoo hoo there's no use in deny
ing I've cried for you

What's your favorite past time just a making me blue

Last week was the last time I've cried for you

Seven hankies blue I filled with my tears seven letters too I f
illed with my fears

I guess it never paced to make your lover blue

Cause seven lonely days I've cried and cried for you

Oh my darling I'm crying...

Seven lonely days make one lonely week...
