

Talking in Your Sleep

Lynn Anderson

Three o'clock in the mornin'
And it looks like it's gonna be another sleepless night
I've been listening to your dreams and gettin' very low
Wonderin' what I can do

Maybe I'm acting foolish
'Cause I haven't heard you mention anybody's name at all
How I wish I could be sure it's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie

You've been talking in you sleep
Sleeping in your dreams, with some sweet lover
Holding on so tight loving her the way
You used to love me
Talking in your sleep
With loving on your mind

Maybe I'm acting foolish
'Cause I haven't heard you mention anybody's name at all
How I wish I could be sure it's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie

You've been talking in you sleep
Sleeping in your dreams, with some sweet lover
Holding on so tight loving her the way
You used to love me
Talking in your sleep
With loving on your mind

You've been talking in you sleep
