That's What Loving You Has Meant To Me

Lynn Anderson

Did you ever watched a youngster's eyes when you gave him his f irst puppy Or see a prisoner smile when the warden says you're free Or a sinner cry with happiness when the Lord just filled his ne eds Well that's what loving you has meant to me Did you ever stand beside someone when you knew that they were wrong Or watch an acorn grow into a tree Did you ever have your ship come in when you thought that it wa s lost Well that's what loving you has meant to me That's what loving you has meant to me If there's such a place as heaven then this is hit for me I'll never want somebody new when your world ends then mine end s too That's what loving you has meant to me That's what loving you has meant to me...
