# You're Welcome to Tonight

**Lynn Anderson**

I'd rather be with you, in this smoky cabin
Than anywhere else tonight

There's someone in my bed, she don't understand me
But you make me feel alright

I can't make you no promises, but to hold you tight
If you like to take chances on one night romances
You're welcome to tonight
Oh yeah, you're welcome to tonight

I really can't get into nothing too heavy
I just want to have a good time

And I'm lonely now and I'm so ready
To be loved out of my mind

Well I can't make you no promises, but to hold you tight
If you like to take chances on one night romances
You're welcome to tonight
Oh yeah, you're welcome to tonight

It's not like me at all
But it's been so long since I felt the need of a lover's touch

I should go on home, but I'd just be alone
And I need you, I need you so much

But I can't make you no promises, but to hold you tight
If you like to take chances on one night romances
You're welcome to tonight
Oh yeah, you're welcome to tonight

I can't make you no promises, but to hold you tight
If you like to take chances on one night romances
You're welcome to tonight
Oh yeah, you're welcome to tonight
