

# Don't Take It Personal

Lyrica Anderson

I know you probably hate me  
For always fucking with your head  
I just don't know if you want me  
Or if you're really after my bread  
I do this to everyone  
So, don't feel special, yeah!  
Don't get comfortable in my bed  
After we done ain't nothin' to be said  
Probably the perfect one  
But I won't change out  
Never believe you when you say I'm the only one

That's why I do you wrong  
So don't take it personal  
Don't take it personal  
I do this to everyone  
So just don't take it personal  
Don't take it personal

You said that you wanna ride  
Wanna stick right beside me  
Sayin' all the things I like  
How do I know you not lyin'?  
Baby look at all the damage  
Show me what makes you different  
Baby, this is how they made me  
I ain't changing

That's why I do you wrong  
So don't take it personal  
Don't take it personal  
I do this to everyone  
So just don't take it personal  
Don't take it personal

Yeah, I got my guard up  
Yeah, I got my guard up  
Letting it down is hard though  
Letting it down is hard though  
Boy you gotta show me, show me, show me  
Why I should give you loyalty

That's why I do you wrong  
So don't take it personal  
Don't take it personal  
I do this to everyone  
So just don't take it personal  
Don't take it personal  
But I don't wanna do you wrong  
So don't take it personal, (don't take, don't take)  
Don't take it personal (don't take)  
I do this to everyone  
So just don't take it personal  
Don't take it personal

Uoo, Yeah, yeah!  
Don't take, don't take

Don't take, don't take
