

# Faithfully

Lyrical Anderson

Baby, take your clothes off  
Put your body over mine  
There ain't nothing you can't do  
So just tell me it's all mine (Mine)

I'll be here when you need  
Someone that's by your side faithfully (Aw, that's for real)  
I'll be here when you need  
Someone that's by your side faithfully  
Never gotta doubt that  
Never gotta doubt that

Uh, why you playin'?  
I'm just sayin', what you waiting for?  
Tell me, you said we gotta be dating first  
You can have it, but baby  
You gotta taste it first (What?)  
Kick it, yeah, sticky, yeah  
Wet, wet, wet, break my back  
Know you like that  
Know you like that  
Bring it back when I throw it back (Ooh)

The way you feel inside of me  
I can hear your heavy breathing  
So just tell me it's all mine (Mine)

I'll be here when you need (I will be)  
Someone that's by your side (oh-ooh) faithfully  
Faithfully, faithfully (Aw, that's for real)  
I'll be here when you need (I will be)  
Someone that's by your side (oh-ooh) faithfully (Ooh)  
Never gotta doubt that  
Never gotta doubt that

I'll be here when you need  
Someone that's by your side faithfully  
I'll be here when you need  
Someone that's by your side faithfully
