

Girls Have Fun

Lyrica Anderson

Don't tell me I'm too pretty to have a smoke tonight
If I told you I might let you get it, you ain't get the joke, right?
I might break your wallet before you can break my heart
I'ma show it out, baby, make 'em all tired
Girls wanna play, girls wanna play
But I get bad, baby, when I feel safe

Tell me, who said girls can't have fun?
Who say, yeah, who said girls can't have fun?
Who say, yeah, who said girls can't have fun? (Oh)
Tell me, who said girls can't have fun?
Who say, yeah, who said girls can't have fun?
Who say, yeah, who said girls can't have fun? (Ooh-oh)

Who said I can't get nasty, crazy, freaky?
Baby, I've been working lately, overtime
And I just need some time to lose my mind
Babe, who said my bitches can't ride out
Slide out, top down, hop out, take your nigga then ride out?
Who said I gotta follow rules?
Who said I gotta fuck with you?
Yeah, who said I can't have my own party?
Who said I can't freak with somebody?
Who said just 'cause I wanted sex
That make me a hoe 'cause the way I dress?

Tell me, who said girls can't have fun?
Who say, yeah, who said girls can't have fun?
Who say, yeah, who said girls can't have fun? (Oh)
Tell me, who said girls can't have fun?
Who say, yeah, who said girls can't have fun?
Who say, yeah, who said girls can't have fun? (Ooh-oh)

If I wanna do that, I can
If I wanna cut deeper, I can
If I wanna be single, I can
If I wanna go and mingle
I-I'on ask for no forgiveness
I'on ask for no permission
I just take my sins and my secrets to the grave
Baby, I been feeling like your back that way
Sometimes I get lonely 'cause I be wanting you to hold me
But tonight ain't one of them nights
Tonight ain't one of them nights, I'm good
I be thinkin' in my mind
Would you get mad if you knew the real me?
But then I come to my sense, like

Tell me, who said girls can't have fun? (Who said?)
Who say, yeah, who said girls can't have fun? (Ooh)
Who say, yeah, who said girls can't have fun? (Oh, who said?)
Tell me, who said girls can't have fun? (Ooh)
Who say, yeah, who said girls can't have fun? (Yeah, yeah)
Who say, yeah, who said girls can't have fun? (Ooh-oh)
