How Could You

Lyrica Anderson

I know I'm not the only one
I'm ashamed to admit, but it's true
You messed up more than once
I gotta be honest with you
I'm not sure I even trust
I can't live your side of the story
We're not on the same damn page
I wanna give all of me but I can't

Now I can't trust myself
How could you?
How could you?
How could you?
You think you could change me, don't cha?
How could you?
(How) How could you?
When I'm not willin' to change myself

How could you-ooh-ooh-ooh?
Ooh-ooh-ooh-ooh

Find myself confused
I wanna be bad for a night or two
Like nothin' even matters
Ooh-ah

I know I'm not the only one
I'm ashamed to admit, but it's true
You messed up more than once
I gotta be honest with you

Now I can't trust myself
How could you?
How could you?
How could you?
You think you could change me, don't cha?
How could you?
How could I?
When I'm not willin' to change myself

How could you-ooh-ooh-ooh?
Ooh-ooh-ooh-ooh
How could you-ooh-ooh-ooh?
Ooh-ooh-ooh-ooh
