

Parkin Lot Pimpin

Lyrica Anderson

Got me like ooh
Pull into my parkin lot
Jump into my ride
(Got me feeling like)
Ooh, pull into my parkin lot
Jump into my ride

You talking that good talk
Said I got you with the mean walk
You looking like you got a Range Rove
(The Range Rove)
Write your number with this pen and pad
Baby we gon' do it like that
If you be a good boy
I might take you home

Got me like ooh
Pull into my parkin lot
Jump into my ride
(Got me feeling like)
Ooh, pull into my parkin lot
Jump into my ride

Hot ride
I know your...
Dangerous
(I like that)
I like everything (everything)
You represent
Oh yeah

The way you womp womp
Is so damn you unique
I like your honk honk
So let me beep beep, uh!
You know what
Fuck it
Come on home with me

Got me like ooh
Pull into my parkin lot
Jump into my ride
(Got me feeling like)
Ooh, pull into my parkin lot
Jump into my ride

Got me like ooh
Pull into my parkin lot
Jump into my ride
(Got me feeling like)
Ooh, pull into my parkin lot
Jump into my ride
