

Sick!

Lyrica Anderson

Lovesick, lovesick
Yeah, yeah, lovesick
Lovesick, oh you got me lovesick
Can't stay bitch lovesick
But I love you bitch I'm lovesick
Wasting all my time yeah lovesick
Stressin' on my mind yeah lovesick

Yah, you complain, you complain
Don't got no job but you complain
I take Percs just to keep a nigga sane
To attach to my feelings wait wait
You get calls when it's late
When I check your shit erased
Pretty Devil in a white dress
Heaven sent for the night yet
Why you always gotta start shit
I feel like I'm in a moshpit
I ain't know you was [?]
But I'm here for life girl, we call this

Lovesick, lovesick
Yeah, yeah lovesick
Lovesick, oh you got me lovesick
Can't stay bitch lovesick
But I love you bitch I'm lovesick
Wasting all my time yeah lovesick
Stressin' on my mind yeah lovesick
