

## Switch Up

Lyrica Anderson

That body get hit with the switch up, woo  
Uh, that body get hit with the switch up  
That body get hit with the switch up, switch up, yeah  
They eyeballin' all my moves  
When you up, they wanna choose  
But that body get hit with the switch up, switch up  
That body get hit with the switch up, yeah  
That body get hit with the switch up, yeah  
Brand new, what it do?  
Call my phone, who are you?  
That body get hit with the switch up

Ayy, they 'bout to get hit with the middle finger  
I'm talkin' two middle fingers  
I feel like 'Yoncé  
Solange and Mama Tina  
I'm 'bout to moon walk  
And model for [?]  
I got a smooth walk  
And you gotta pay for the feature

Yeah, that way  
Phillipe, Patek way  
No top, the Wraith way  
Ayy, baby  
Girl, you're fake, get out my face  
'Fore you make me me catch a case  
Gotta change the pace

That body get hit with the switch up, woo  
Uh, that body get hit with the switch up  
That body get hit with the switch up, switch up, yeah  
They eyeballin' all my moves  
When you up, they wanna choose  
But that body get hit with the switch up, switch up  
That body get hit with the switch up, yeah  
That body get hit with the switch up, yeah  
Brand new, what it do?  
Call my phone, who are you?  
That body get hit with the switch up

Oh, eat mangos [?]  
Oh, every five hours, I change clothes  
Rockin' designers  
The crib got a sign up  
They all wanna be my best friend  
Even your baby mama, oh

Yeah, that way  
Phillipe, Patek way  
No top, the Wraith way  
Ayy, baby  
Girl, you're fake, get out my face  
'Fore you make me me catch a case  
Gotta change the pace

That body get hit with the switch up, woo

Uh, that body get hit with the switch up  
That body get hit with the switch up, switch up, yeah  
They eyeballin' all my moves  
When you up, they wanna choose  
But that body get hit with the switch up, switch up  
That body get hit with the switch up, yeah  
That body get hit with the switch up, yeah  
Brand new, what it do?  
Call my phone, who are you?  
That body get hit with the switch up
