Doomsday Pt. 2

Lyrical Lemonade

Yo (Yeah)
A little under the weather
Fuck it
Yeah
Alright, here we go

First I'ma shred a (What?)
Verse like I had a personal vendetta (Yeah)
Words come together like birds of a feather (What?)
'Til I need a walker like Herschel, I'm better
Than all of you fuckin' little twerps put together
But I'm not tryna be controversial, I'd rather (Nah)
Talk about shit with a purpose that matters (Like?)
Like who had the second best verse on "Forever"? (Damn)
Now I got a riddle (What?), one condition, you mustn't laugh (Okay)
What is the opposite of Benzino? (Uh, what?) A giraffe (Haha)
"Go at his neck," how the fuck is that? (Yeah)
How can I go at somethin' he doesn't have? (Haha)
Arm so short he can't even touch his hands
When they're above his head doin' jumpin' jacks (Wow)
Sorry, I don't mean (What?) to upset you, Ben' (Yeah)
When I talk about (What?) all the debt you in (Uh)
I hear that you been (What?) creepin' on the low
In them cheap hotels (Yeah), that they catch you in (What?)
Jesus Christ, dawg (Damn), when you said two-ten (What?)
Never guessed you meant (Damn) at the Red Roof Inn (Shit)
In a room with one single bed, two men (What?)
Shady, man, you can't... yes, you can (Shh)
Well, I guess then I regret to inform you, hate to spoil the day (Wha
t?)
But this doesn't bring me no joy to say (Huh?)
Guess that Coi Leray feat's in the toilet, ayy? (Goddamn)
Damage due to flows, collateral, I s'pose
Gat-pointed like mine and Sandra Bullock's nose (Well)
Yeah, them bullet holes, have you full of those (Yeah)
You'll catch a stray like animal control, plan a funeral
I'ma probably have to plan a few neurological exams
Once again, it is off into that damn padded room I go
Right toward the asylum or the psych ward
Because I strangled you with a mic cord
Because my fuckin' mind's morbid
I'm on my (What?) Pegasus, my high horse, and I'm fly (Yeah)
Bitch, I soar like a sty
You probably feel like you're gonna die (Yeah)
'Cause you're in my morgue and you're tied up like a tight score
And that's why (What?) I'm back with Cole Bennett
And I been at the level J. Cole been at
It's Aftermath that I ride for 'til I die
