We up in the place, yeah
I've been making dreams outta nightmares
Police still scheme but we right here
Let's go, let's go (Yeah, uh-uh), yeah (Yeah)

I've been making dreams outta nightmares
Police still scheme but we right here
M1, still speedin' in high gear
And I'm from the streets, we don't fight fair, no
How much have I made in my Nike Airs?
So high, out of space, I'm in lightyears
Don't love me when I'm gone when I'm right here
Everyday, I'm lit (Lit)
Gettin' rich, now everyday, I flip (Ooh, ooh, ooh)
'Member when I couldn't pay the rent (Yeah)
Now I wear this Louis V to gym (Let's go)
Dive into that pussy, take a swim
Cali, they don't wanna let me in
Still smoking Cali medicine
Thank you mama, I was heaven-sent, let's go, let's go

Hop into the coupe, still speeding
Came from the show, hear the fans still screaming
Back to it, I ain't gettin' no sleep in
God put me on the earth for a reason
Gunshots ringing in the hood, still grieving (Baow)
More guns, more funds in the region (Let's go)
I've been gettin' money all season
More ice, everything still freezing

It's a cold world (Mm)
Oh, you thought that's your girl? That ain't your girl (Nah, nah)
That ain't your girl
It's a cold world
Ooh, you thought that's your girl? That ain't your girl, my nigga
That ain't your girl, my nigga
Let's go, let's go

I'm a visionary, yeah (Visionary)
I can see the vision in my eyes and my eyes don't lie
Got five birds in the cage and I made them fly (Brrt)
I can see the vision in my eyes and my eyes don't lie, my guy
My eyes don't lie, my guy
I'm in the bando (Bando)
Yeah, I'm in a 'Rari, I got ten in the back of the ride
See them boys on the road then it's all on sight
And I see the fake in a brudda 'cause my eyes don't lie, my guy
My eyes don't lie, my guy
My eyes don't lie, fuck your advice
I'm in these streets, I seen you twice
I slept in traps, I didn't do right
Repent for sins, I didn't do it twice

Can't live my life
You weren't there for me
Now I drive past and they stare at me
Got the snare on me, yeah
Girl with me, no therapy, uh

Hop into the coupe, still speeding
Came from the show, hear the fans still screaming
Back to it, I ain't gettin' no sleep in
God put me on the earth for a reason
Gunshots ringing in the hood, still grieving
More guns, more funds in the region
I've been gettin' money all season
More ice, everything still freezing

It's a cold world
Oh, you thought that's your girl? That ain't your girl
That ain't your girl
It's a cold world
Ooh, you thought that's your girl? That ain't your girl, my nigga
That ain't your girl, my nigga

I've been gettin' money all season
